### Regalo De Paz

Preparando Mi Regalo de Paz es un programa educacional gratuito, presentado en español, acerca de cómo proporcionarle a usted y a sus seres queridos, el regalo de paz mental, sabiendo que sus deseos e intenciones se conocen para el final de su vida. Acompáñenos a una presentación y discusión informal sobre los pasos para asegurarse que sus deseos sean comprendidos y honrados, en caso de que no pueda valerse por sí mismo. Cada sesión/clase es seguida por una segunda: en la cual el personal y los notarios pueden ayudarle a completar, de manera gratuita, los documentos legales de directivas anticipadas. Contáctese con nosotros para más información acerca de las próximas sesiones/clases: 303-651-8411 o 303-651-6125.

There are [other professionals](#) in our community who offer different or more in-depth advance care planning support. There is a fee for their services, but some will work on a sliding fee scale. We do not endorse their services but offer them as an additional resource. Some medical offices, attorneys and faith communities also offer support with advance care planning.
