HHARC Lunch & Learn series aims to foster new collaborations, inspire innovative research, and highlight the crucial role of humanities in advancing healthcare.

SESSION OBJECTIVE:

To explore the field of health humanities, discussing its definition, scope, and practices. It will present example projects, introduce facilitators, and encourages participants to explore potential research interests in the arts and health humanities at the University of Colorado.

Join us in-person for lunch in the Fulginiti Pavilion UPI Conference Room 105 OR via ZOOM.
