UNIVERSITY OF CALGARY

Calgary, Canada

Appointments: Distinguished Visiting Professor (2016-present)

Inaugural Fulbright Canada-Palix Foundation Distinguished

Visiting Chair in Brain Science and Child and Family Health
and Wellness (2015-16)

Research Agenda: Study the impact of digitalization on victims of child pornography where the child's sex abuse images are distributed on the Internet and will continue to be consumed indefinitely, creating an experience of "continuing victimization." This research is ongoing and is intended to guide the development of laws, policies, and programs that will impede the continuing victimization of children in the digital age and support victim recovery.

Accomplishments:

- Built a multidisciplinary team of researchers in law, neuroscience, pediatrics, genetics, and social work to study the impact of child abuse on survivors using brain scans, genetic samples, and psycho-social instruments
- Developed relationships with Calgary Child Advocacy Center and Alberta Children's Hospital to facilitate multidisciplinary research on child abuse survivors
- Helped procure over \$600,000 in funding for research
- Met with leadership of numerous foundations and governmental entities to build support for multidisciplinary research
- Delivered 24 lectures across Canada primarily focused on effects of trafficking in child abuse imagery on survivors
- Expanded research agenda to include assessment of frontline service providers to determine their ability to combat internet-based child abuse and exploitation

- Launched relationship with Canadian Center for Child Protection and co-developed international team of experts to conduct first international study of survivors of child abuse imagery ever published
- One academic article has been published; a second one has been submitted for publication; a third is substantially complete; and two others are being written

TEACHING RECORD

Key Curricular Administrative Positions

- Director of the Clinical Law Program, Willamette University College of Law (2005-2021)
- Faculty Advisor to the Externship Program, Willamette University College of Law (2008-2013)
- Director of the Externship Program, Willamette University College of Law (2005-2008)

Specific Curricular Accomplishments

- Completely renovated and modernized one of the oldest clinical law programs in the country by diversifying clients and clinic offerings; adding medical and behavioral health professionals; modernizing practice management system; increasing intensity of supervision and support for clinical students; adding academic assessments; expanding and integrating clinical faculty into doctrinal faculty system; and creating variable credit structure, summer clinics, and advanced clinics, among other improvements.

- Redesigned law school externship program by adding unlimited placement opportunities worldwide, increasing supervision and support of both students and site hosts, increasing number of credits and semesters available to students, creating a summer externship option with concurrent class online, and more.
- Personally created, taught, and supervised students in the Child & Family Advocacy Clinic, Business Law Clinic, and Law & Government Clinic, and oversaw the development of five additional clinics (Trusts & Estates, Human Rights, Veteran’s Law, Sustainability Law, and Immigration Law).
- Developed ten new courses, including all syllabi and online course and practice management systems for three different universities in schools including law, education, management, and undergraduate.
- Forged 15-year collaborative partnership between Forensic Psychiatry Program at Oregon Health & Science University and Willamette’s Clinical Law Program, hosting and supervising forensic psychiatry fellows and teaching in OHSU’s forensic psychiatry seminar.
- Developed 12-year partnership with Oregon Department of Justice to jointly run Law & Government Clinic at no direct cost to law school.
- Drafted policies and procedures manuals for two major experiential programs (Clinical Law and Externship).
- Designed and delivered Willamette University’s first remote class (in 2006) and first hybrid course (in 2008).

*Please note that it is not customary for law faculty to apply for external grants. I only recently began to pursue external grants with collaborators from other disciplines to support multidisciplinary team research related to 21st century forms of child sex abuse. The practice of pursuing external grants then started expanding to include my advocacy work related to children and families in migration.

Major Fundraising:
