UNIVERSITY OF COLORADO
ANSCHUTZ MEDICAL CAMPUS
FALL COMMENCEMENT

DECEMBER 14, 2024

December 14, 2024

Dear Graduate:

One of the greatest honors for the University of Colorado Board of Regents, the institution's governing board, is to be part of this commencement ceremony. Your success is a success for us all. Your degree is a measure not only of an accomplishment of dedication and talent, but also notice to the world that you have the skill and discipline to contribute greatly to any endeavor you pursue.

This commencement ceremony, like every University of Colorado graduation since 1935, will close with the reading of the Norlin Charge. As originally expressed by former CU President George Norlin in 1935, graduation "marks your initiation in the fullest sense of the fellowship of the University, as bearers of her torch, as centers of her influence, and as promoters of her spirit." Welcome to the ranks of CU's alumni family, which is over 475,000 strong. Congratulations on achieving this milestone. Well done and well earned!

Sincerely,

The Regents of the University of Colorado

Dear Graduate,

Congratulations, University of Colorado graduates! Today marks a major milestone in your lives, and we're excited to celebrate your achievement. With your CU degree and the many things you've learned during your time here, you're well-positioned for the future. The entire CU community stands behind you and is rooting for your continued success.

You're now part of an extraordinary network of CU alumni making significant contributions to their communities, the state of Colorado, the nation and the world. As a fellow CU alum, I have experienced firsthand the transformative effects of a CU education. I know yours will serve you well.

During the course of your educational journey, you've undoubtedly benefited from others' support. I urge you to pay this forward as you make your way in the world. Helping others – in any capacity – is among the most rewarding and important things you can do in life.

On behalf of the CU community, I wish you success and fulfillment now and in the years to come. Again, congratulations!

All the best,

A handwritten signature in black ink, appearing to read "Todd Saliman". The signature is fluid and cursive, with the first name "Todd" and last name "Saliman" clearly distinguishable.

Todd Saliman
President, University of Colorado

December 14, 2024

Dear Graduate,

Congratulations, on behalf of the faculty and administration of the University of Colorado Anschutz Medical Campus, for the extraordinary achievements that have brought you to this day. You have worked hard to earn your degree and persevered through the challenges of the COVID-19 pandemic. These accomplishments have undoubtedly prepared you well for a career in medicine and health.

We are pleased to join with you and your loved ones to celebrate the time-honored commencement tradition. Today, you earn a degree from one of the leading academic medical campuses in the world, and we hope you carry a great sense of pride with you as you start the next chapter of your life and career.

This landmark occasion represents more than the completion of your CU Anschutz education. Indeed, this day signifies a lifetime of effort and dedication in pursuit of a noble profession. Today, you join a distinguished group of CU alumni who have committed themselves to careers of service, health and healing.

Wherever your path is taking you next, know that you carry with you the CU Anschutz Medical Campus community's support, encouragement and belief that you will contribute to a healthier world. Indeed, you will help redefine the healthcare of tomorrow in ways we cannot yet envision. We are proud to congratulate you on reaching this defining milestone, and wish you all the best as you embark on the future that awaits you.

Sincerely,

A handwritten signature in black ink that reads "Donald M. Elliman". The signature is written in a cursive, flowing style.

Chancellor, University of Colorado Anschutz Medical Campus

December 14, 2024

Dear Graduate,

Congratulations on reaching this extraordinary milestone!

Amidst all the excitement, I encourage you to pause, reflect on your journey, and remember to thank the people who have been a part of it - the friends, family, mentors, and colleagues who have inspired and supported you along the way. Our collective success grows when we come together and support one another.

Today, we celebrate not only your academic achievements but also the resilience, hard work, and compassion that have shaped you.

As you step into your professional careers - especially in fields as impactful as healthcare - I encourage you to take with you a sense of purpose. Seek out your “why” - that deeper reason that drives you to make a difference. Whether in patient care, research, or community health, let this purpose be your guide. It will not only keep you grounded through challenges, but it will also enrich your journey and remind you why you chose this path in the first place.

On behalf of the CU Anschutz Student Senate, I am proud to wish you every success and fulfillment in this next chapter.

Congratulations once again - your journey is just beginning, and your impact on the world will be profound!

Warmest wishes,

Alicia Tanneberger
CU Anschutz Student Senate President

ACADEMIC DRESS

The tradition of the academic costume apparently began during the twelfth or thirteenth century in the early European universities. Since the clergy comprised the majority of the educated class, academic dress is an adaptation of the cope or mantle, which was usually silk or wool, and worn by church dignitaries in religious processions.

Through the years, great diversity developed in color and in style of cap, gown and hood. In 1896, the colleges and universities in the United States adopted a uniform code governing academic dress.

While it is not apparent to the observer, the gowns worn by the recipients of the various degrees vary somewhat in design. The sleeves of the gown worn by the baccalaureate candidates are long and pointed, while the sleeves of the gown worn by the master's degree recipients are square at one end with a slit at the elbow. The doctor's gown has flowing sleeves with three bars of velvet and a facing of velvet down the front of the gown.

Those who are receiving a master's or doctor's degree from the University of Colorado wear hoods lined with the school colors, silver and gold. The hood worn by the doctor's candidate differs in design from that of the master's as it has side panels and is slightly longer. The velvet border of the hood indicates the degree and usually follows the same code as the color of the tassels.

The Oxford cap, usually referred to as a mortar board, has a long tassel which is fastened by a button on the top. The color of the tassel on the cap indicates the field of study.

THE NORLIN CHARGE TO GRADUATES

(From the Baccalaureate address by President George Norlin of the University of Colorado, June 1935)

“You are now certified to the world at large as alumni of the University. She is your kindly mother and you her cherished sons and daughters.

“This exercise denotes not your severance from her, but your union with her. Commencement does not mean, as many wrongly think, the breaking of ties and the beginning of a life apart. Rather it marks your initiation in the fullest sense into the fellowship of the University, as bearers of her torch, as centers of her influence, as promoters of her spirit.

“The University is not the campus, not the building on the campus, not the faculties, not the students of any one time—not one of these or all of them. The University consists of all who come into her and go forth from her halls, who are touched by her

influence and who carry on her spirit. Wherever you go, the University goes with you. Wherever you are at work, there is the University at work.

“What the University purposes to be, what it must always strive to be, is represented on its seal, which is stamped on your diplomas—a lamp in the hands of youth. If its light shines not in you and from you, how great is its darkness! But if it shines in you today, and in the thousands before you, who can measure its power?

“With hope and faith, I welcome you into the fellowship. I bid you farewell only in the sense that I pray you may fare well. You go forth, but not from us. We remain, but not severed from you. God go with you and be with you and us.”
