

2023-2024 CU Anschutz Study Abroad Financial Aid Request

If you will be studying abroad while at CU Anschutz, you must complete this form to request financial aid. Study abroad costs may be covered by a Federal Direct Unsubsidized Loan, Federal Direct Graduate PLUS Loan or a private student loan. Grant funds cannot be awarded to cover these expenses. To apply for a federal student loan, submit the Free Application for Federal Student Aid (FAFSA) at [FAFSA.gov](https://fafsa.gov). Visit our website to learn about evaluating and selecting a lender for an [Private Student Loan](#). You must meet all eligibility requirements to receive funds.

Financial aid covers reasonable study abroad costs. Financial aid cannot cover personal travel, family members traveling with you, or sightseeing and souvenir costs. You must be registered for the approved course before financial aid can be awarded. If you are enrolled in only the study abroad course, your cost of attendance and aid will cover only the approved study abroad costs. You are not allowed to drive motor vehicles while traveling on education-related travel. Therefore, financial aid cannot be used to pay for vehicle rental costs.

Financial aid processing can take up to 10 business days after your study abroad is approved. If your study abroad is approved less than 10 business days prior to your departure date, you may not receive your financial aid before you leave. Notify us as soon as you know you are studying abroad.

Complete the table below (enter 0 in the box if there is no cost), sign and date the request; on page 2 obtain the required approvals from your program or school; and then, submit the request along with the required documents to the [Financial Aid & Scholarships Office](#).
